October 17, 2008

Ms. Thai-Ba Trieu,
Examiner
USPTO
Alexandria, Va

This comment is from the field of Inventors personal opinion regarding high level of quality of work and service provided by Examiner Ms. Thai-Ba Trieu.

"I claim that your knowledge and experience has made a long and complex patent process a very positive experience. I amend this statement to also include Mr.Thomas E. Denion. In the remarks section I want to say that your competence and courtesy are a true asset of USPTO and an outstanding example of the individuals that represent it. Please know that I am grateful for your professionalism."

Sincerely,
